

Resolution 78-13  
Unloading Spaces

Introduced: January 30, 1979

Passed/Failed Passed 8-NO / 12-YES / 4 ODSHMHONS

Whereas: there is a dire need for extra fifteen (15) minute unloading spaces for the area of McCormack, Rodes-Harlin, and Gilbert Halls and;

Therefore: be it resolved that the A.S.G. recommend that a semi-circular driveway complete with fifteen (15) minute parking zones extending from University Blvd. to the front of McCormick Hall, exiting back to University Blvd. to handle the overload and that action on this proposal be considered immediately and construction be started as soon as possible.
